

SHAPEAI WEB DEV WITH NODEJS BOOTCAMP

Hi I made this project during the 7 Days Free Bootcamp, conducted by **SHAPEAI**.

The instructor during the session was Mr. Shaurya Sinha (Data Analyst Intern at Jio). I got to learn a lot during these 7 days and it was an amazing experience learning with SHAPEAI.

Here's the link for you to watch the sessions as well

I got to have hands on experience on:

HTML

JavaScript

Node.js

Express.js

during these 7 days, and everything was explained from the very basics so that anyone with zero experience on programming can learn.

I enjoyed these 7 days, you can as well. To register for next free 7 days bootcamp, visit:
